Student Name: _____

Assignment Title: _____ Date: _____

| Areas of Assessment | Absent | Poor | Average | Good | Excellent |
|--|---|---|---|---|---|
| 1. The Solar System Max Point Value <input type="text" value="5"/> | Majority of content is missing, incomplete and/or extremely inaccurate <input type="checkbox"/> | Content shows very basic understanding, and includes several inaccuracies <input type="checkbox"/> | Content is mostly accurate and shows a basic understanding of key ideas <input type="checkbox"/> | Content is accurate, thorough and shows clear understanding through appropriate explanation and examples <input type="checkbox"/> | Meets and exceeds "Good" criteria with rich explanation, examples and application of content ideas <input type="checkbox"/> |
| 2. The Sun Max Point Value <input type="text" value="5"/> | Majority of content is missing, incomplete and/or extremely inaccurate <input type="checkbox"/> | Content shows very basic understanding, and includes several inaccuracies <input type="checkbox"/> | Content is mostly accurate and shows a basic understanding of key ideas <input type="checkbox"/> | Content is accurate, thorough and shows clear understanding through appropriate explanation and examples <input type="checkbox"/> | Meets and exceeds "Good" criteria with rich explanation, examples and application of content ideas <input type="checkbox"/> |
| 3. The Planets Max Point Value <input type="text" value="5"/> | Majority of content is missing, incomplete and/or extremely inaccurate <input type="checkbox"/> | Content shows very basic understanding, and includes several inaccuracies <input type="checkbox"/> | Content is mostly accurate and shows a basic understanding of key ideas <input type="checkbox"/> | Content is accurate, thorough and shows clear understanding through appropriate explanation and examples <input type="checkbox"/> | Meets and exceeds "Good" criteria with rich explanation, examples and application of content ideas <input type="checkbox"/> |
| 4. Creativity and Innovation Max Point Value <input type="text" value="5"/> | Project is not completed or clearly plagiarized. <input type="checkbox"/> | Information is largely "cut and paste" from one or two sources and shows little evidence of originality in design presentation <input type="checkbox"/> | Organization and design shows thoughtful preparation and utilizes a variety of resources to create something original. <input type="checkbox"/> | Meets "Average" criteria PLUS presents information in a visually engaging way. <input type="checkbox"/> | Meets and exceeds "Good" criteria to show clear ownership and understanding. <input type="checkbox"/> |
| 5. Research Max Point Value <input type="text" value="5"/> | Project has no resources listed. <input type="checkbox"/> | Project relies heavily on one resource <input type="checkbox"/> | Project utilizes at least two authoritative resources. <input type="checkbox"/> | Project utilizes at least three authoritative resources. All media is appropriately cited. <input type="checkbox"/> | Meets "Good" criteria and weaves together information from at least four resources to create something original. <input type="checkbox"/> |
